DEDICATION

This edition of the Press Book is dedicated to a man who is a "true" Renegade. At the end of the 1990-91 season, Walt Johnson will retire from Bakersfield College.

Walt will leave BC after serving as a coach, teacher and presently, Men's Athletic Director, for the past 24 years.

He coached baseball, football and has taught a wide variety of health and physical education classes. Throughout his tenure at BC, Walt has been a positive influence for hundreds of students and his work as athletic director has helped make the Bakersfield College athletic program one of the most respected in the country.

It is for these reasons that we are happy to honor Walt Johnson for a job well done.

GREETINGS

This year Bakersfield College embarks on its 77th year of outstanding service to the community and its students. A generous contribution of both time and money by local citizenry has afforded the college to attain outstanding accomplishments in both academics and athletics. Students completing their community college academics locally are prepared to enter any university in the United States and are equally represented by the athletes who secure athletic scholarships for their accomplishments (in all athletic areas). Equal support comes from the Bakersfield College Foundation and the Bakersfield College Athletic Foundation.

The fans, their interest and support, are above evaluation and their participation is deeply appreciated. You individually are to be commended for your reputation as "the most supportive group of any community college in the state."

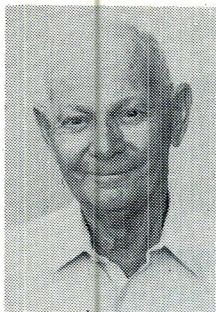

The news media, including TV, Radio, Newspaper and Magazine, constitute institutions equally appreciated for their efforts in the promotion of all activities of the college. The printed word and broadcasts do much to incite additional efforts on the part of the staff and students.

To all we extend the invitation to appear and enjoy the efforts of Bakersfield College on the field and in the classroom. This season promises to be both interesting and exciting.

Should visiting teams require arrangements for phones, News, Media or TV personnel at Memorial Stadium, contact Director of Athletics Walt Johnson at least 10 days in advance, at Bakersfield College, 1801 Panorama Drive, Bakersfield, California 93305 or phone (805) 395-4266.

ASB PRESIDENT BRYAN MATHEWS

As Associated Student Body President, I would like to welcome the Bakersfield community to another exciting year of Renegade football. It is with great honor and pride that I thank not only the students, faculty and administration, but also the Bakersfield community for their continuing support of Bakersfield College.

Football is only one of a wide variety of extra curricular activities students have an opportunity to participate in. BC is nationally recognized as one of the best junior colleges at preparing its students to transfer on to a four-year university.

The faculty at BC are always willing to make the stay for students here easier on all accounts.

The Associated Students of Bakersfield College extend a very warm welcome to the students, faculty, administration and most importantly, the community of Bakersfield.

GENERAL INFORMATION

Bakersfield College, established in 1913, is among the oldest two-year community colleges in the nation in continuous operation. The initial program offered a one-year curriculum and in 1915 trustees authorized a second year of junior college and normal school courses. The college opened its multi-million dollar campus on Panorama Drive in 1956 and has continued to grow to meet the community needs of Kern County which is noted for its petroleum, agricultural production and diversified industry.

The college is operated by the Kern Community College District encompassing approximately 10,000 square miles. The district includes most of Kern County and parts of Inyo, Tulare and San Bernardino counties. Six districts are served by Bakersfield College—Delano Joint Union High School, Kern County Joint Union High School, and the Mojave Unified School, Muroc Unified, Tehachapi Unified, and Wasco Union High School Districts. Present enrollment is 14,000.

BAKERSFIELD COLLEGE HELMET CLUB

Through the coordination of Dr. Jim Turner and Gary Ridgeway, both ex-Renegades, and Coaches Collis and Bowser, the B. C. Helmet Club was organized in 1979. The initial membership was but forty or fifty but has since grown to 185 active members. The first official function was a Recruiting Dinner for local high school football players encouraging them to attend Bakersfield College and become Renegades.

The Club is doing a great job as a "support" team for the "Gades". New members are permanently solicited. Any player who has played at least one season with the Renegades is eligible for membership. Should you be interested, contact Coach Bowser at 395-4353. There are now three categories of membership. LIFE MEMBERSHIP ENDOWMENT—\$150.00; DONATION MEMBERSHIP—\$25.00 and ANNUAL MEMBERSHIP—\$10.00, the latter two being paid annually. If you wish to join, simply clip the application below and mail it in to the Club at the college.

BC ATHLETIC FOUNDATION

In 1972 Bakersfield College established a non-profit organization on the campus known as the Bakersfield College Foundation. The foundation has been organized to promote the general welfare of Bakersfield College by assisting and supporting the college in the attainment of educational, cultural and scientific goals, and fulfilling its role in serving the community.

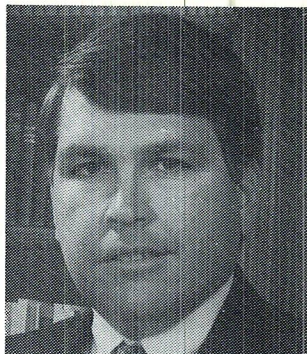

In March, 1981, the Bakersfield College Foundation Board of Directors approved a request by a group of community leaders to establish a sub-committee for the purpose of assisting with additional support monies for students actively involved in the athletic program at Bakersfield College. The sub-committee is known as the BC Athletic Foundation. The goal of this group is to assist Bakersfield College student athletes, staff, and administration in developing and maintaining the highest caliber of intercollegiate competition for both men and women.

At this time, the members of the BC Athletic Foundation are actively soliciting for monies to support their efforts.

Any donations are graciously received and donors of \$25.00 up are issued Athletic Foundation Certificates acknowledging their contributions. Life Membership is available to businesses and individuals making a donation of \$5,000.00, which can be paid over a five year period. This money will be placed in a special endowment fund to be used to support scholarships for student athletes, work-study programs, equipment, team travel expenses, awards, and recognition of student athletes. All donations are tax deductible.

If you or anyone you know are interested in becoming a part of this program, please contact Gerry Collis, Director, BC Athletic Foundation—395-4378.

PRESIDENT
DR. RICHARD L. WRIGHT

We are pleased to present again this year a Press Guide for people who are interested in Renegade football. We hope that you will find it useful as there are many interesting facts about former seasons. We also hope that you will use this guide as a first step toward introducing yourselves to our student athletes. Our student athletes come mostly from the San Joaquin Valley, and many will stay in our community as leaders after they finish their education. We are proud of the fact that virtually all of our student athletes transfer to four-year schools after their stay at Bakersfield College. I think you will be impressed with the quality of the young people involved in the athletic program at Bakersfield College. We are looking forward to another exciting year and we hope that you will be able to join us each Saturday night.

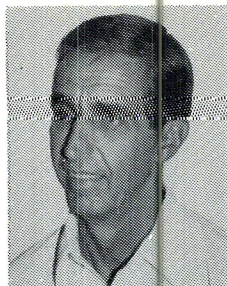

DEAN OF STUDENTS
DR. FRANK GORNICK

Our faculty coaches, headed by Carl Bowser, do more for our student athletes than coach the fundamentals of football. They enjoy a reputation throughout the United States for having one of the best football programs in the country. In addition to Coach Bowser's impressive won and loss record for the past six years, not enough attention has been paid to the academic success of our Bakersfield College football players. For the past six years, 95 % of Coach Bowser's sophomores have transferred successfully to Division I and Division II colleges throughout the United States.

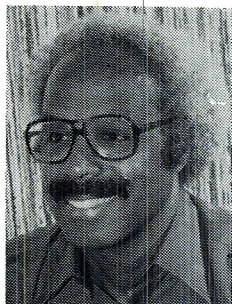

We all like to hear about the athletic success our students enjoy when they transfer; however, the success our students have by achieving a baccalaureate degree, is testimony to the preparation they receive at Bakersfield College. The tradition of our students as academic and athletic champions is alive and well at Bakersfield College.

DIRECTOR OF ATHLETICS WALT JOHNSON

The 1990 Renegade football season promises to be one of the more exciting years in recent Renegade football history. Carl Bowser's staff and team will be seeking their fourth consecutive Western State Conference title. Our community is excited over the prospects of opening the season against the 1989 National Champions from Navarro, Texas. It should be a banner season. We hope you enjoy the Bakersfield tradition of "Renegade Football, 1990."

ACADEMIC COUNSELOR LARRY ROBINSON

Since 1970 Larry Robinson has assisted Bakersfield College students as they work towards successful completion of upper division courses and university graduation. His own educational history prepared him well for such a task. With a BS Degree in Sociology and a Masters Degree in Counseling Psychology, Mr. Robinson has served as both counselor and a Professor of Sociology, Psychology and Administration of Justice. Additionally he has accepted the appointment by Governor Deukmejian to the California Advisory Council in Vocational Education.

Though Mr. Robinson functions as counselor to all students, his accentuated efforts on behalf of athletes has led to the development program which assists in meeting their educational objectives.

As counselor, Larry Robinson provides academic as well as career and personal counseling to athletes, permitting them to also participate in the excellent academic and vocational programs Bakersfield College offers. He will be following the progress of each athlete as he defines the work required to fulfill their goals and develop their career plans.

HEAD COACH CARL BOWSER (24th Season)

Coach Bowser is strictly a "local product". As an athlete at Bakersfield High he was a stellar grid star for Coach Briggs and continued to excell throughout his competitive career. Bowser played his two junior college years with the Renegades in 1956 and 1957 under Coach Homer Beatty, earning Metropolitan All-Conference both years.

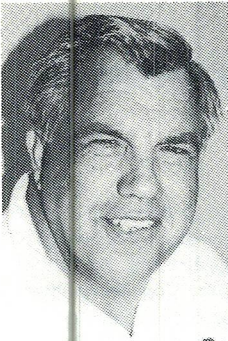

From BC he continued his education at California Polytechnic San Luis Obispo where he attained the distinction of being All-CCAA fullback for two seasons. Leaving Cal-Poly he became the Backfield Coach at Burroughs High School. 1966 took him to Shafter High as Head Coach where he served one year. In 1967 he assumed the duties of Backfield Coach for the Renegades. Bowser, with coaches Pollard and Damron, have coached at Bakersfield College for the past twenty-three years. In the spring of 1984 he succeeded Gerry Collis as the Head Coach for BC. His family includes his wife Marian, daughters Julie, Robin, Carla and son Larry, who will play for the Renegades this year.

QUARTERBACK COACH **HARVEL POLLARD** (26th Season)

A graduate of Wasco High school, he was an all-around performer on athletic courts and fields. Pollard played for BC in 1950, took four years leave to serve with the United States

Air Force, returning in 1955 for an outstanding season of football under Coach Homer Beatty. He then enrolled at San Jose State where he was selected the "Spartan's" Most Valuable Player as well as the Athlete of the Year in 1957. After three years as an Assistant Coach at South High he took over the Head Coach's job at Foothill High School, winning the South Yosemite League Co-Championship in 1964. Damron, second in years of service and our third "local boy" graduated from McFarland High School. He spent his undergraduate days at the University of California Davis. With the "Aggies" he was All-Far West Conference tight end in 1955 and 1956 and had the unusual distinction of being named "Captain" both of those seasons.

In addition he was named the Most Valuable Player on the UCD team. Following two years coaching at Colusa High School, Damron returned to Kern County as a member of Arvin High football staff. With the "Bears" he was instrumental in producing a highly polished, well disciplined team which rated among the best in the San Joaquin Valley. Damron came to Bakersfield College in '66 assuming the job of line coach. He obtained his B.A. degree at Davis and his M.A. degree at the University of Southern California. His family includes his wife Frances and three sons, Lyle, Brent and Paul.

Grider is the third ex-Renegade on the coaching staff. A graduate of Arvin High School, Dallas played for the Renegades in 1963 and 1964. From BC he went to UCLA playing linebacker in 1965 and 1966 and was Co-Captain in 1966. His services for the "Uclans" was outstanding. He had been tabbed as an All-American, however, due to a knee injury missed several games. 1967-68 found him as a Graduate Assistant Coach at UCLA with responsibility for the Defensive Ends and Linebackers. During 1968 and 1969 was as assistant coach for Alemany High having the assignment of being the defensive coordinator. In 1970 he became an assistant coach at West High and took over as Head Coach in 1977. Under his tutelage the "Vikings" were considered one of the strongest and winningest teams in the area. He is an alumnus of South High, Bakersfield College, University of California at Los Angeles, and the University of California, Irvine which awarded him his M.D. degree in 1971. He has been a member of the American Orthopaedic Sports Medicine Society since 1983 and has garnered national recognition for his knowledge and ability in the orthopaedic field. He will be at every game he can make, even if he has to fly, both home and away. He is a fan for all sports.

JOHN C. ALEXANDER, D.D.S.

Dr. Alexander is entering his 4th season as the Renegades' team dentist and is the fourth former Bakersfield College grad to join the medical staff. Dr. Alexander was born and raised in Bakersfield and was a wide receiver and defensive back on Foothill's 1965 championship team. After earning his A.A. degree from Bakersfield College in 1969, he entered UCLA where he received his B.S. in Microbiology. Dr. Alexander graduated from UCLA Dental School in 1975 and returned to Bakersfield to open his family practice. An avid Renegade supporter, he attends most football games with his family and supports many other Bakersfield College functions.

Bakersfield College is most appreciative and proud to have these gentlemen aboard. They are dedicated to the welfare of the teams and readily available on any day and at any time to render services needed for team members. We are indeed privileged to have the services of "these four local boys"!

RETURNING LETTERMEN/SOPHOMORES WIDE RECEIVERS

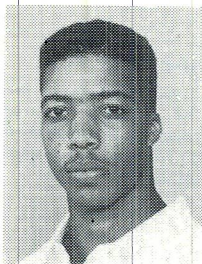

VINCENT SHAW 6-3 183 No. Miami Beach, FL

He is coming back after redshirting last year due to a knee injury. He has good speed and strength for a receiver. With continued development, he could be an outstanding receiver.

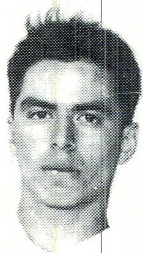

LANCE PATTON 5-10 165 Tehachapi H.S.

Lance is one of the most improved players on the team. He has outstanding speed and good fundamentals. Lance will compete for a starting spot.

MARIO FISHER 6-1 180 Bakersfield, H.S.

Mario is returning from last season where he saw limited action. He has good physical tools and with more intensity, should see more action.

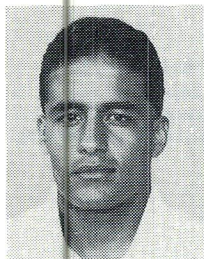

CHRIS RUIZ 5-9 160 Shafter H.S.

A returning redshirt, Chris has good quickness and acceleration. He is a good athlete who will add depth to the receiving corps.

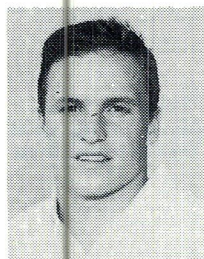

RETURNING LETTERMEN/SOPHOMORES

DEFENSIVE SAFETIES

ABEL GARCIA 5-10 180 Shafter H.S.

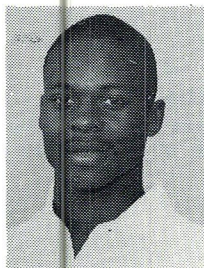

Strong hard hitting safety with good speed. Should have an excellent season.

BEN LINGO 5-9 183 Bakersfield H.S.

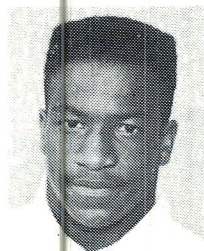

Hard working player who has the ability to play both strong and free safety. Should be one of our top performers in the defensive secondary.

CORNERBACKS

LANCE GEARY 5-10 175 Bakersfield H.S.

Lance split time as a quarterback last year, but made the switch to defense halfway through the season. "Bo" or "Scatman" as he is commonly called, has increased strength, size and hasn't lost a step with his superior speed. Complements Ty Bowden on one side of the secondary.

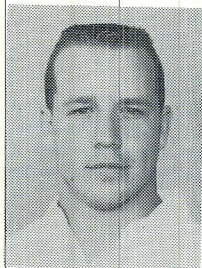

TY BOWDEN 5-9 180 Bakersfield, H.S.

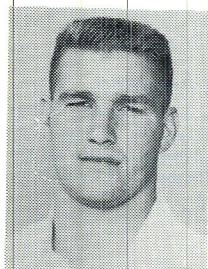

Ty could be classified with Lance Geary as book-end corners. Hits and tackles like ex-Renegade Jim Kirwin (1973-74). Ty is switching to corner after having a stellar season as a strong safety. Ty is an exciting and tremendously explosive player who will be one to watch on Saturdays and in the future.

RETURNING LETTERMEN/SOPHOMORES

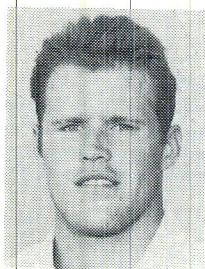

LINEBACKERS

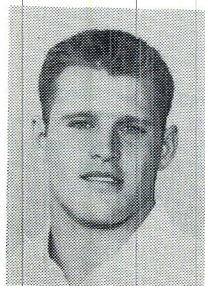

JEFF MIDDLETON—OLB 5-10 200 North H.S.
Jeff gives the team depth at the outside linebacker position. He is a hard worker who also deep snaps for punts.

JAKE HOGUE—ILB 6-1 225 Tehachapi H.S.
Started for most of the 1989 season. He has gotten bigger and stronger. He is a steady performer and a student of the game. Jake makes very few mental mistakes and is expected to have a fine season.

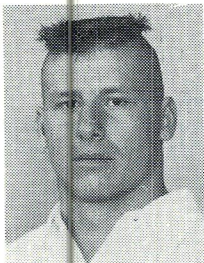

KELLY BELLUE—ILB 6-1 230 Garces H.S.
Twin brother of Robby Bellue. Kelly has had numerous injuries which has slowed his progress. He gives us solid depth at the inside linebacker position.

ROBBY BELLUE—ILB 6-2 218 Garces H.S.
One of the stronger players on the Renegade squad. Has been hampered by knee problems but has worked himself back into contention for a starting spot.

RETURNING LETTERMEN/SOPHOMORES

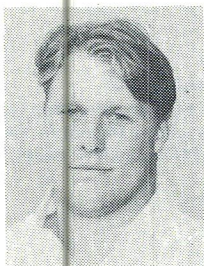

LINEBACKERS

RICK CRUZ—ILB 6-3 235 East H.S.

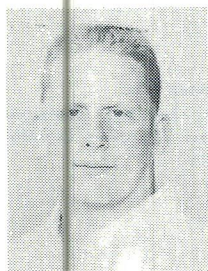

A starting linebacker returning this year following a great 1989 season. Our biggest and fastest inside linebacker. Has worked out extremely hard in the off-season and is expected to be a team leader. Rick reported in great shape and should have an outstanding year.

DEFENSIVE LINEMEN

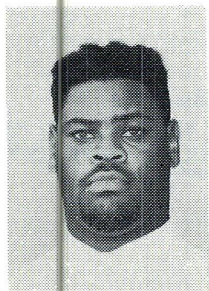

LARRY BOWSER—NG 5-10 245 Garces H.S.

Larry started every game in 1989 on a very good defensive team. After playing tackle at Garces, he settled in at nose guard position very well for the Renegades. He makes big plays and is always around the football. He returns as an all-conference selection from 1989.

CHRIS PARISH—DT 6-3 240 Shafter H.S.

Chris comes to the Renegades from Shafter High School. During the 1989 season, he either started or alternated as a freshman. Chris is a hard worker and a tough competitor. He is a smart player. Chris will definitely contribute to the success of the 1990 Renegades.

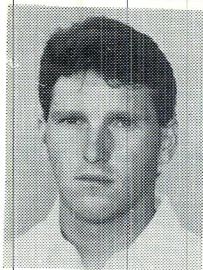

JON KIRKSEY—DT 6-5 330 Riverside H.S. (SC)

Returning letterman who started as a freshman in 1989. Jon might be the most physical player in the state because of his size, strength and speed. Jon is expected to lead the Renegade defense after making all-conference last season.

RETURNING LETTERMEN/SOPHOMORES

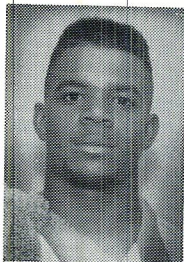

QUARTERBACK

BRYAN NIXON—QB 6-3 200 Shafter H.S.

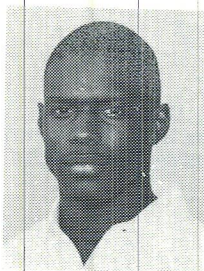

Bryan is a returning starter and had a fine freshman season. Has a strong arm and is exceptionally mobile for his 6'3" frame.

OFFENSIVE BACKS

NATHAN DUPREE—RB 5-11 187 Wooster (NV) H.S.

Played for ex-Renegade Joe Sellers. Named to 1st team all-WSC last season. He rushed for 850 yards with a 7 yards-per-carry average. He scored 13 touchdowns last year and his longest was a 75-yard TD run.

SHON ELLERBE—RB 5-10 170 Crenshaw H.S.

Last year's offensive MVP in the Potato Bowl is an outstanding receiver who reported much stronger this year and gained 15 lbs. His average yards per carry was over 9 yards.

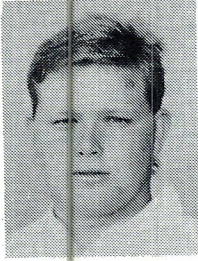

RAY BRAXTON—RB 5-9 205 Lackawanna, NY

Played on the 1988 National Championship team. Red-shirted last season. Ray, who is a strong runner, was a high school All-American.

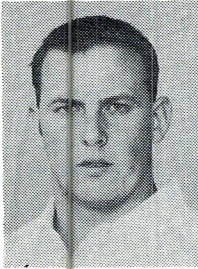

RETURNING LETTERMEN/SOPHOMORES

OFFENSIVE LINEMEN

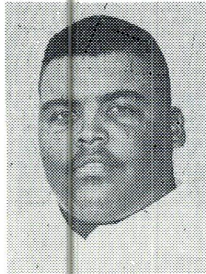

JEFF CORBITT 6-2 250 North H.S.

A backup center as a freshman, Jeff was hampered by injuries, but seems to be ready to anchor the offensive line this season.

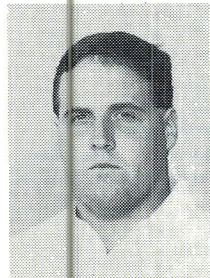

RUSSELL ROBERTSON 6-2 250 North H.S.

Russell played a big role in the success of the 1989 squad. He is versatile and understands the offense. He can play either guard or tackle.

MIKE IVORY 6-0 280 Morse H.S. (San Diego)

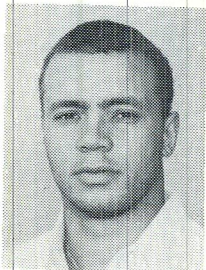

Mike is big and mobile and should be most effective on sweeps and trapping game. He is being counted on to be a team leader.

WAYNE PEACOCK 6-0 250 Highland H.S.

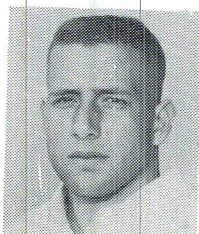

Started every game for the Renegades last season. He is our most mature lineman and should be a leader up front. He is strong and fundamentally sound.

RETURNING LETTERMEN/SOPHOMORES OFFENSIVE LINEMEN

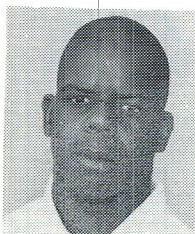

DAVID DOUGHERTY 6-3 215 Oak Park H.S. (IL)
Moved from wide receiver to the tight end position. An excellent receiver with improving blocking skills. Should see a lot of playing time in 1990.

MEMORIAL STADIUM HISTORY

Memorial Stadium—home of the Bakersfield College Renegades—was dedicated September 23, 1955 and seating capacity was 16,500. Since then, many changes have been made to improve the facility. Increased fan support created the need to provide additional seating. The 35-year-old stadium now seats 19,468, although special games such as the 1976 BC-College of the Sequoias Potato Bowl game and last year's BC-Taft Potato Bowl have attracted crowds of 21,035 and 20,227, respectively. The 21,035 fans is still a school attendance record. That crowd capped off a banner year for attendance in 1976. The season attendance for that year was 114,069 for seven home games. Double-decked on both sides, 18" seats are provided with back rests. The last row of seats in 59 rows (35 lower and 24 upper) places the top row 92 feet above the playing field. In all, 2,682,731 fans have attended the 209 BC home football games and your support is appreciated.

But football isn't the only event that Memorial Stadium, believed to be the largest community college owned stadium in the nation, is used for. It has hosted eight AAU track and field championships, the annual Fourth of July extravaganza, Special Olympics, Metropolitan and State track meets, the Russian-American and Western Women's track championships, the 1988 Police Olympics and area high schools use the facility for football games and for track meets. The Potato Bowl, one of the oldest bowl games of all those played in the United States presented its 38th annual games in 1989. The game is sponsored by the Kern County Shrine Club, benefitting the Shriner's Children's Hospital.

Four years ago, lighting was improved with the installation of 196 1500-watt Halide lights supplying 100-foot-plus candlepower to the entire stadium. This makes filming or video-taping of athletic events very convenient. Just added this year is the new \$90,000 scoreboard donated by Texaco. The scoreboard is complete with the latest computer technology and will be a beneficial addition to the look of Memorial Stadium.

STADIUM MANAGER DARRELL KALAR

Entering his 14th year as Stadium Manager, Darrell, with his able assistant Jose "Joe" Rodriguez have been the recipients of many plaudits for the superior condition of Memorial Stadium and all athletic fields. With many varied activities throughout the season, the grounds are at top shape, the equipment needed is there and willing assistance is forthcoming at request. Darrell and Joe, with the assigned staff, do an excellent job. Their efforts are very greatly appreciated.
